City of Residence: Southdove Training Services Inc. currently supports South Sudanese community associations and youth events in Calgary, Edmonton, Regina, Saskatoon and Winnipeg.

Youth: An applicant under the age of 20 years and attends high school or university. Youth activities include planning the graduation event, and organizing training skills and mentorship programs.

Community Leader: A chair or representative of a community association, who serves the community in a designated role that the community has entrusted such a leader through nomination or election.

Community Voluntary: A person who voluntarily serves in the community for a particular duration in the supportive role to the nominated or elected leaders of the community association.

Sponsor: Any individual, group or community association who may support the youth and community leader and volunteer with access to resources to enhance acquisition of social and mentorship skills.

Community Engagement Grants cover expenses for community voluntary leadership services and other costs related to community service and travel across different cities in Prairie provinces of Canada.

Youth Empowerment Grants cover expenses related to planning graduation from high school or university, training for skills and career programs, and mentorship programs.

Other Grants will be evaluated on an individual basis by the Board of Directors for eligibility.
